About Me

Motivated B.Tech CSE student with a passion for programming, graphic design, and photography. Experienced in freelancing and eager to apply technical and creative skills in real-world projects.

Education

Brainware University

2023 - 2027

B.Tech in Computer Science and Technology

Chandpara Bani Vidya Bithi High School

2021 - 2023

Higher Secondary Examination

Experience

Coding

- Passionate programmer with hands-on coding experience since high school, developing problem-solving skills and a strong foundation in software development.

Freelance Graphic Designer

- Designed custom menu cards for local stores, ensuring visually appealing and brand-aligned layouts. Worked with clients to create high-quality print-ready designs using Photoshop while meeting deadlines.

Video and Photography

- Pursued personal passion for photography and videography, capturing high-quality images and videos for various personal projects. Skilled in using DSLR cameras, editing software (Photoshop, Premiere Pro), and creative direction to produce visually engaging content.
